

AGENDA

TRENDS IN LASER WELDING

Wednesday, October 1, 2025

08:00	Arrival and reception of the guests
09:00	Welcome
Lecture series on laser welding	
09:15	“Laser Material Processing @Bosch - How to compete in a challenging global market?” Dr. Reiner Ramsayer Robert Bosch GmbH
09:45	“Together we innovate” Jens Tramontano AWL-Techniek B.V.
10:15	“Laser Welding Reinvented: Closing the Gap with WeldMaster WireSelect” Matthias Metzger Precitec GmbH & Co. KG
10:45	Coffee break – meet the speaker

11:15	“Seeing the invisible - how AI forwards process monitoring” Dr. Jens Reiser Precitec GmbH & Co. KG
11:45	“Truly Dynamic Beamshaping: Welding with Civan’s Dynamic Beam Laser” Hannes Büttner Civan Lasers Europe GmbH
12:15	Lunch
13:00	Live demonstration company tour
17:00	Farewell to the guests
